

PROPOSED WORKS IN YOUR AREA - A3030, Lydlinch and Bishops Caundle, Dorset

Dear Sir /Madam

Following the Government's guidance for construction activity - that it should continue where it fits with both the current Public Health England requirements and in accordance with industry safety guidance - Dorset Council is restarting a programme of carefully selected surfacing works. The revised list of surfacing sites is made up of roads that are in a deteriorating condition and are essential to help keep life-saving medicine, equipment, supplies and key workers travelling safely across the county. Additional safety measures are also being taken to ensure the health and safety of workers in these unprecedented times. We are working closely with other highway authorities across the south west and with industry bodies to share knowledge of new ways of working. As you can appreciate this is a rapidly developing situation, so we are doing our best to keep Dorset's businesses and residents up to date as this work progresses. The latest information on all planned road works can be found at www.dorsetcouncil.gov.uk/roadworks

To enable us to carry out maintenance work, we plan to close A3030, Lydlinch and Bishops Caundle, Dorset between 21st May 2021 and 7th June 2021. Work will be done in 4 stages as follows:

17th May to 20th May . A3030 Stockgaylard.The closure will be in place 24 hours per day. ***This part of the scheme has been postponed until later in the year due to unforeseen logistical issues. Apologies for any inconvenience caused.***

21st May to 26th May A3030 Lydlinch Common The road will be closed between the hours of 09:00 and 16:00 but it will be open overnight and at weekends.

27th May to 2nd June A3030 Higher Wood Bridge to the Old Rectory.The road will be closed between the hours of 09:30 and 15:30 but it will be open overnight and at weekends.

3rd June to 7th June Caundle Street. Stony Lane to Sarum House. The road will be closed between the hours of 09:30 and 15:30 but it will be open overnight and at weekends.

During the closure periods there will be no on street parking available. Parking restrictions will be imposed to prevent waiting or parking on the roads stated above. Any vehicle waiting in contravention of any restriction imposed by this Notice may be removed under the provisions of the Removal and Disposal of Vehicles Regulations 1986. If a vehicle has been towed the owner will need to contact our towing contractors Bride Valley on 01305 889421.

We will be repairing sections of road within the area marked in red indicated on the map. The diversion route is marked in blue. National regulations state that we have to divert traffic onto the same classification of road as the one we have closed.

In the current financial climate, the highways service has had to focus its budget on targeting the most damaged sections of road and areas with safety issues.

We will contact you again nearer the time to confirm the dates of the work and the closure needed.

If you wish to discuss any issues regarding this work, please [contact us](#).

Yours faithfully

Jason Loibl
